

Moon

18 1 2

Chapter 1 by Ashley

The moon will always be the bright light in the night. It's the biggest of all the stars. Sometimes you wonder what you would do with that big light not showing you the way.

Chapter 2 by AstralStar

The stars too, but we are not talking about the stars. Without the moon, darkness would overwhelm us. Its deeply pocketed face shines its silvery light on land and sea. It's amazing really.
